

THE BROAD REACH

Volume 6, Number 2, May 1993

A Publication of The Lake Winnepesaukee Sailing Association

Commodore's Corner

...by Dave Mackey

For a while I began to think that the first events of the season would require proficiency at ice skating, however Mother Nature seems to be cooperating and plans for the season look good.

We welcome Ed Philpot as Race Committee Chairman. The schedule this year includes some new features as well as old favorites.

I would like to especially thank our friends at Hallett Sails & Canvas for sponsoring the Series this year. Richard has supported The LWSA over the years in many ways, and this year has really stepped up to the plate to give us a good Series. Hallett Sails has recently invested heavily in high technology equipment to provide the latest in both racing and cruising sails, and has established itself as one of the top lofts in the country. Be sure to attend the Seminar on May 15th and find out about sails, as well as new deck layout ideas, the new asymmetricals and more.

Important Dates Coming up..

May 15...

- Series Sign up & Skippers Meeting
- Hallett Sails Seminar & Dinner at B. Mae Denny's Restaurant

May 16 ...

- Tune-up Race
- Series Sign-up deadline at \$75 rate.
- 1993 Membership Roster cut off.

1993 Sailing Schedule Highlights ...by Ray Lanza

On the following page of this issue is the 1993 Sailing Schedule. Our season begins with a few hours of your graciously appreciated work on May 8. We need as many hands as we can get to prepare the Youth Sailing Boats for the season. The fun begins with a dinner and seminar on high tech sail making given by Hallett Sails, our 1993 Series sponsor. The dinner and seminar are being held at B. Mae's, space is limited to 25, so sign-up now.

Last season we experimented with the series schedule in an attempt to meet the needs of those who couldn't or didn't want to devote Sunday's to racing. We wound up with the same boats racing in both series so this season we've returned to a more normal format. The series will be run on 7 Sundays throughout the summer with an 8th Sunday reserved

as a makeup day. As usual we'll run two buoy races for the spinnaker classes and one island race for cruisers. Scoring will be time on time. A valid 1993 PHRF certificate is a requirement. No yacht will be scored without one. You can find a series sign-up form in this issue of the *Broad Reach*. If you have not yet received your 1993 PHRF application form contact me. Please mail or deliver them to me on or before May 16th.

We have two marathon events this year, *The Long Distance Challenge* and the *Around The Lake Race*. Seymour Friedel is the RCOD for both events and he assures me that we'll have even more fun than in the past. The first race, the *Long Distance Challenge* is a daytime event. It's been moved to an earlier date this season so that we can race without ski par

Continued Page 2

Season Highlights ...from Page 1
kas and gloves. The *Around The Lake Race* is the tradition evening event. In the past we've been forced to sail all night long. However this season Seymour is going to set a course that will have us off the lake well before the wind dies. He claims the race will be over before 2:00 AM so we can all get a good night sleep.

A tradition is reborn! The W.Y.C. is hosting a 6 event Friday night series. Happy Hour starts a 5:00 at the Yacht Club with the race beginning promptly at 6:00. There will be two classes, spinnaker and cruising. The format will be a single race with one start for both classes (long starting line !?!?!). The start and finish will be in Sander's Bay in front of the W.Y.C. Length and course will depend on weather. 1st, 2nd and 3rd in each class will receive an engraved glass as a prize. If enough boats sign-up there will also be prizes for overall series winners. Sign-up cost is \$25.00 for the series or \$5.00 per evening. Contact Derek Lewis for further details.

The J22/J24 class association will continue its Thursday evening one-design races. There are dozens of 22's and 24's on the lake, many of which sit idle most of the summer growing weeds on the bottom. We urge you to get out there and compete.

The Broad Reach is published on a by monthly basis. All materials for publication are due 14 days prior to the beginning of the month. The Broad Reach is a publication of the Lake Winnepesaukee Sailing Association (LWSA), PO Box 7047 Gilford, NH 03247, mailed free of charge to members in good standing. A yearly subscription is available for \$15.00. Publication or use of any material from The Broad Reach is not authorized without written permission. Further, The Broad Reach and LWSA disclaim responsibility for typographical errors other than the obligation to print a notice of correction.

PHRF News ...Ray Lanza

The Spring Meeting was held this month at the Savin Hill Yacht Club in Boston. The most notable news for the year is *Recreational Handicaps*.

The purpose of *Recreational Handicaps* is to promote participation of cruising yachts by recognizing the racing disadvantage of typical cruising gear. A boat equipped with **non high-tech** sails and working roller furling gear will get an additional 6 seconds on it's rating. The headsail must be attached to the normal swivel and roller furling drum. The handicap does not apply to yachts using a split drum system where the furling gear is bypassed. The one change to the inventory rule applies. The 6 seconds is applied to the base handicap which means that it affects both the spinnaker and non-spinnaker rating of the yacht. More detailed information will be sent with your PHRF application.

The other significant change to the handicap rules involve the use of multiple headsails and whisker poles on a sloop competing in cruising classes. A sloop **may not** fly more than one headsail at a time. If a whisker pole is used it may not be longer than the

J dimension and must be used on the opposite side of the boat from the boom. In the past this rule has been part of the local sailing instructions in Marblehead and other areas (we added it last year). It's now an official part of the PHRF bylaws.

The final change is that restrictions on the use of asymmetrical spinnakers have been dropped. This sail is now just another spinnaker and may be used with or without a pole.

There are 16 clubs or associations that comprise the PHRF-NE Fleet. Last year we had 39 registered yachts which puts our fleet just about in the middle sizewise. There were actually twice that many boats that raced at least a couple of events. If all the boats that raced last year signed up we would have one of the largest fleets in New England! PHRF works if you participate! We've been able to influence the ratings of 3 boats but I need your support.

The Labor Day Regatta will be the official *New Hampshire PHRF Championship*. Please support this effort by registering your boat this year!

Youth Sailing Club Announced For Kids 13 - 16 ...by Sandy Mackey

The Youth Sailing Program is very pleased to announce the creation of a Youth Sailing Club. This concept was only an aspiration last year, but with the help and support of the Winnepesaukee Yacht Club and Fay's Boat Yard, we hope to see competitive racing for kids a mainstay on the Lake.

This program was prompted by the students who have participated in our sailing program for the past few years. Many of them are now in a Level 3 class and are asking what more can we do. Toward this aim, we began taking small groups of kids to competitions within the New England district last year. Their enthusiasm was heightened.

This past winter, we have been in contact with the heads of the youth sailing programs from Maine, Vermont, New Hampshire

and Massachusetts. We have joined the Maine Yacht Racing Association as a means to be included in program decisions governing inter-club racing.

The specific details are at this time still being formulated. However, our intent is to offer periodic Saturday clinics which will be under the guidance of a training coach. At these clinics the kids will learn how to properly race their boats. Each student coming out of our sailing program has learned the essentials of sailing, but in the clinics offered by the club, we will now teach them racing techniques that they will need to know if they wish to compete on an inter-club level.

We are coordinating with the clubs within the New England District to set up invitational racing events. The club will travel to

other states to participate and they will also host events here on the Lake.

This is a great opportunity for the kids to meet other kids and gain an appreciation for sailing in other types of conditions other than those we have on the Lake.

To participate in the club, a individual must be between the ages of 13 & 16. They should have obtained a Level 3 standard within our sailing program, or be able to demonstrate to the Coach an ability that would qualify them for consideration into the program.

More details on the activities will be mailed to all Level 3 students within the next few weeks. If someone is interested and is not on our mailing list, but would like to be considered, please contact Sandra Mackey at 603-487-2677 for more details.

LWSA Membership Registration

Youth Sailing Program Readies for Another Year ...by Sandy Mackey

The instructors are hired, the curriculum is set, the boats are being refurbished, and the new schedule is complete. Now all we need are registrations and we will be off to another exciting year!

The committee is pleased to announce that the Tom Manco, our head instructor last year, and Dave Hopkins, our assistant instructor will both be coming back in their respective positions. This will enable the program to build on what we have achieved in the previous year.

With the help of our instructors and the committee, the curriculum for the program was totally renovated last year. Using that as a

beginning, new additions will be evident in this year's program.

Upon reviewing the schedule, you will note that we have added age classifications to the Level 1 classes. We are doing this so that the younger students can learn at a pace that will better suit their abilities. The curriculum for this younger class has been revised thanks to the direction of Helen Lanza, Diane Destrempe and Tom Manco.

For the same reasons the younger students needed a program that could work for them, the older students needed a program that could move them along at a faster pace. We have also instituted a Level 1 1/2 class for

students that have almost completed the Level 1 class, but need a bit more work before we can advance them on to the Level 2 class.

We are pleased that Donna Garland will again be handling registrations for the program. Anyone who participated in the program over the past two years should have received a mailing explaining this year's program. If you have not received the mailing, or are new, or know of someone who would be interested in joining the program, please call Donna at 603-434-0966, or see her on Blueberry Pie at Fay's Boat Yard.

1993 Youth Sailing Registration

I wish to register the following student for the Youth Sailing School:

Student: _____ Age: _____

Parent or Guardian: _____

Address: _____

City/State/Zip: _____

Home Phone: _____

Parent Work Phone: _____

I am interested in the following sessions: (check)

	<u>8:30 - 12:00</u>		<u>1:00 - 4:30</u>	
July 6 - July 16	_____	(Level 1) (ages 8-11)	_____	(Level 2)
July 19 - July 30	_____	(Level 1) (ages 12-16)	_____	(Level 3)
Aug. 2 - Aug. 13	_____	(Level 1 1/2)	_____	(Level 2 & 3)
Aug. 16 - Aug. 27	_____	(Level 1)	_____	(Level 2)

Note: The sessions are open to children between the ages of 8 and 16. Classes meet Monday through Friday.

Registration is on a first come, first served basis. The cost of each session is \$120.00 paid in full by June 20th. All registrations paid in full prior to June 1, 1993 will be entitled to a \$20.00 discount. Please make checks payable to: LWSA Youth Sailing Program

For more information or to mail deposits and registrations contact:
Donna Garland, 17 Floyd Road, Derry, NH 03038
603-434-0966

Results ...

Congratulations to Donna and Paul Delgado on the birth of their son Tony. The score keeper posted the finish at 6 lbs. 11 oz. on February 27. Big sister Kristi was very pleased.

Thomas McGahan, Sr.

It is with regret that we report the passing of Thomas McGahan at age 77, father of Joe McGahan. Joe is a true friend to Lake Sailing with his tireless work over the years in the support of The Michelob Cup through NH Distributors and . May our thoughts be with Joe and his family.

Roster Deadline

The 1993 Roster will be issued June 1. It will contain a complete membership list as well as a compilation of past results and other reference information. We will take your membership application anytime during the year, however if you want to be listed in the 1993 Roster we need it by May 16.
