This year we are not collecting the class membership fees. You must join the class on your own.

You may join the USA J/80 Class Association at www.j80.org/membership.php.
You may check to see if your membership is current (look for your name/boat and "Member 2006")
at www.j80.org/ownerlist.php

No boat will be scored (other than DNC) for an evening until an owner is an owner-member of a J/80 National Class Association and the Lake Winnepesaukee Sailing Association, Inc., and until either her paper registration forms and payment are received (or postmarked) at least one day prior to the evening to be scored or if online registration is completed and payment received before the scheduled beginning of the that evening's races. The race committee will not accept any registration paperwork.
