

Amendment #1 to J/80 Fleet 1 2014 Notice of Race

Effective Date – 29 April 2014

The **Schedule** table has been changed to move racing on June 19 into the Summer Series rather than the Spring Series as original published.

Amendment #2 to J/80 Fleet 1 2014 Notice of Race

Effective Date – 29 May2014

1. The **Scoring** section wording about J-Jamboree scores has been slightly changed to clarify that only three races for the *entire* Jamboree will count in the Spring Series and *not* three races per Jamboree day.
2. The requirement that a skipper/owner of each boat be an LWSA member has been removed as a requirement, but is strongly encouraged.
