

LWSA Ice Cream Run
Sunday, August 17

Several LWSA members and their friends enjoyed a fantastic sail to Center Harbor for the Annual Ice Cream Run on Sunday, August 17. An optimum 12 - 16 knot breeze allowed the fleet to beat to Center Harbor from north of Welch Island in less than 2 hours. The power boat *Special K* proceeded ahead of the fleet and joined in for the ice cream.

It took some creative jockeying of boats to get everyone that chose to come into the dock, tied up. The boats that docked were the *Special K*, *Blueberry Pie*, *Forlig Vind*, *Czech-Mate*, *Days Off*, and *Haleakala*. We then walked from the docks to Red Hill Dairi (correct spelling) for ice cream treats and socializing.

Two boats, *Chaisama* and *Kookaburra III*, enjoyed the run to and from Center Harbor but chose not to take on the docking challenge.

The run back was pretty much before the wind and was a slower ride. *Blueberry Pie* and *Haleakala* hoisted their colorful red, white, blue and yellow spinnakers for the sail back to Fay's. The GPS on *Haleakala* indicated that the fleet sailed 19.07 nautical miles.
