

Winnepesaukee Yacht Club Race Committee

The Winnepesaukee Yacht Club is pleased to invite all sailors to the 2014 Commodores Cup Championship Regatta. This years event will return to our traditional three day format, with a challenging single handed race on Friday evening, buoy racing on Saturday and an Island Race on Sunday for most classes.

That's where similarity to prior events ends! This year we will Crown a lake champion in handicap racing, and the New Hampshire State Campion J-80. We will offer multiple formats and day as well as series prizes and overall winners. Each day will be scored separately, and participants wh race both days will be eligible for overall prizes.

Participants are also invited to attend the famous WYC lobster feed on Saturday evening as part of the event. There will be a separate charge for dinners, and we will need notice in advance (no later than September 4!!!) ,as indicated on the attached form, if you will be attending the dinner so that we can be sure to order the proper amount of food.

We hope we can have another record breaking turnout for all three days.

For Further information, contact Ed Philpot at 528-0207 or ed.philpot@myfairpoint.net

A notice of race, sailing instructions and sign up information are available on the WYC and LWSA websites. Come out and have a great time at this historic event!
