Official Notice of Race
Cruiser / Racer Series
May 11, 2015

Invitation: The Lake Winnepesaukee Sailing Association, Inc. is pleased to invite all sailors to participate in the season-long “Cruiser/Racer” series. As a season-long series, results will be cumulative.

Eligibility: This Series is open to any skipper or owner who wishes to participate. Participants must meet all event requirements, must fill out and submit the attached entry form and must have paid all event fees before becoming official competitors. Entry forms may be submitted via email, regular mail or in person to the event coordinator.

Rules: This Series will be governed by the 2013-2016 Racing Rules Of Sailing (RRS), US Sailing prescriptions, this notice (except as to any modifications by the sailing instructions), and the sailing instructions.

Scoring: Current New England PHRF ratings will be used to determine adjusted elapsed times via the Time on Distance method. To be included in the season –long cumulative standings you must have a current NE PHRF rating (www.phrfne.org). The low point scoring system will be used. For each event, each boat is given points according to their finish place, with first place getting one point, second place getting two points and so forth. The boat with the lowest score wins that particular event. A boat that came to the starting area of any given event and either Did Not Start (DNS), Did Not Finish (DNF), or was Disqualified (DSQ) is given only one point more than the number of boats that actually started that particular event. A boat that did not attend the event at all is given one point more than the total number of boats that participated at any time in the series. Ties are resolved in favor of the boat that finished ahead of the other more often. There are 6 events throughout the summer. A boat’s 4 best scores will count towards the series championship.

Entry: Each entry must submit the form attached to this notice to the event coordinator. The entry fee is \$80 for the 6 event series or \$15 per event

Site: Racing will take place on Lake Winnepesaukee in the vicinity of the Broads. These are primarily around-the-islands courses of various lengths determined by anticipated wind strength and direction on race day. The exact course and other sailing instructions will be announced at the Skippers Meeting.

Skippers Meeting will be held at noon on race days. The Skippers Meeting will be at Fays on the steps to the old sailing school.

Starts will be reverse handicap as determined by PHRF rating. Start times will be assigned at the Skippers meeting. GPS time is the standard.
