

The JBT Regatta
For the benefit of The Cure Starts Now
Presented by the Winnepesaukee Yacht Club

The *Second Annual JBT Regatta and Auction For the benefit of The Cure Starts Now, presented by that Winnepesaukee Yacht Club* was a resounding success. We had a great day of racing, despite light air, and Twenty-one boats participated in several classes. We raised just over \$45,000.00 through silent and public auctions, donations, and gifts.

We had a well-attended post-race cookout at the Winnepesaukee Yacht Club following racing on Saturday, and enjoyed an extremely lively auction prior to the awards ceremony. A silent ran throughout the event. Paul Warnick performed at the post race/pre-auction cookout, and local photographer Karen Bobotas was on the water taking some great photos during the day.

Jay Norden sailing Claddagh of Belchertown Mass. was the overall race winner, and prizes were awarded to the top three racers in three divisions.

The weather kept some boats away, but those who did attend were treated to a great party and the rain held off until the festivities were over. Thanks to the Thompson families and everyone who helped with donations and generous bidding. Thanks to the volunteers, racers, cooks, and everyone who attended or helped in any way.

The Winnepesaukee Yacht Club is proud to support The Cure Starts Now, and we hope that you will check out their website, www.thecurestartsnow.org for more information, and consider making a donation.
