

LWSA Memorial Day Shakedown Cruise
And
Pizza Party Social

May 25, 2008

Sunday, May 25, was a beautiful day for the 2008 Shakedown Cruise of the LWSA Cruising Fleet. The winds were sufficient for a lovely cruise from the rendezvous point in Sander's Bay, sailing up around the Seventies a couple of times, back into the Bay and on into port. It was a great opportunity to shake out the cobwebs in the rigging, tune it up, and prepare the crew for the season. Initially thirteen boats began the cruise with three more joining in as the afternoon progressed. Many thanks to the following boats for their participation (MY APOLOGIES FOR ANY THAT MAY BE MISSING):

CELEBRATION
CHIMERA
CHISAMA
CZECH MATE
BLUEBERRY PIE
FIREWORKS
FORLIG VIND
FULL SAILS
HALEAKALA
INSIDE OUT
KOOKABURRA III
NORCROSS FAMILY
RENAISSANCE
SCOTT FREE
SUGAR MOUNTAIN
VAL ANN

The Pizza Party Social was very well attended with about 60 people enjoying the hospitality of the LWSA. Several new members registered and many renewed their membership.
